WHO ARE WE?

We are *your* gateway to Odense Municipality.

ErhvervsKontakten is part of the task force which coordinates 30 key employees from the municipality, the utilities companies and state authorities. You will find us at Odense Castle, at the heart of the city.

We also run Stjerneskipet (The Starship), which is situated at Havnegade in Odense. Stjerneskipet offers guidance to start-ups and entrepreneurial businesses. For more information, see www.odense/startup.

Last, but not least, we are involved in the Smart City Odense project, whose aim is to support the development of Odense into an intelligent city by means of public-private partnerships, technology and data for the benefit of the entire city.

THE POINT OF CONTACT BETWEEN THE BUSINESS COMMUNITY AND ODENSE

ErhvervsKontakten is *your* gateway to Odense Municipality.

When you contact us, you will have a caseworker assigned to you who will help you get your business on track.

The caseworker will facilitate contact with the relevant authorities, coordinate cooperation along the way and ensure that all formalities are taken care of so that your business can get off to a good start.

We work closely with the local utilities companies and state authorities to ensure smooth coordination of your case.

THE PURPOSE OF ERHVERVSKONTAKTEN IS TO PROVIDE DENMARK'S BEST FRAMEWORK CONDITIONS FOR THE BUSINESS COMMUNITY TO ENSURE THAT ODENSE REMAINS A CITY OF CONTINUOUS GROWTH.
